

Sagi Ashkenazi

Video Creator & Editor | Filming, Editing, Animation & AI

058-621-6670 | sagi66a@gmail.com | [LinkedIn](#) | [Instagram](#) | [Portfolio](#)

End-to-end video creator: concept, filming, editing, motion graphics, sound and animation, combining generative AI tools with classic post-production. B.Design in Visual Communication (HIT). Comfortable on camera and in front of an audience; used to working independently on tight deadlines, from idea to final file.

Selected Work

- 300 ISRAEL — brand film that became a manifesto; writing, directing, filming, editing [Watch](#)
- The Release – A Creator's Diary — personal documentary, self-shot and edited [Watch on YouTube](#)
- Creator's Journey — workshop documentary, Spain & Portugal; filming, editing [Watch](#)
- Pumpkin Outpost — documentary animation; direction, animation, editing [Watch](#)
- Shalechet (Autumn) — short film [Watch](#)

Tools

- Editing & design: Premiere Pro, After Effects, Photoshop, Canva; captions, motion text
- Generative AI: Kling, Runway, Midjourney, Nano Banana Pro, Topaz Video Enhance; Claude, Gemini, GPT for writing and scripts
- Production: camera, sound, basic lighting, 360 video; Unity and VR/AR
- Platforms: YouTube, Instagram, Facebook, TikTok — vertical and horizontal formats, hooks and calls to action
